OBJECTIVE

Aspiring Software Developer with practical experience in Android and web application development using Java, Django, Firebase, and MySQL. Currently enhancing proficiency in Spring Boot and modern web technologies with the goal of contributing to scalable and reliable software solutions.

EDUCATION

Master of Computer Applications (M.C.A.)

Dharmsinh Desai University, Nadiad

2024 – 2026 (Expected)

CPI : 8.27

Bachelor of Computer Applications (B.C.A.)

Dharmsinh Desai University, Nadiad

2021 – 2024

Percentage : 76.10%

Higher Secondary School (H.S.C.)

Shree Satya Sai Vidhyalaya, Jamnagar

2020 – 2021

Percentage : 82.71%

Secondary School (S.S.C.)

Shree Satya Sai Vidhyalaya, Jamnagar

2018 – 2019

Percentage : 87%

EXPERIENCE

Venom Technologies | Android Developer Intern | [Certificate](#)

Dec 2023 – Mar 2024

Completed a 4-month internship focused on Android development. Contributed to UI design, database integration, and bug fixes. Collaborated with senior developers to enhance coding and problem-solving skills. Developed a feature-rich notes app using **Room DB**, **Firebase Firestore**, XML, and Java.

SKILLS

Programming Languages : C/C++, Java, JavaScript, Python, Android

Frontend Technologies : HTML, CSS, XML

Backend Technologies : PHP, ASP.NET (C#), Django

Databases : MySQL, Room, Firebase (Firestore, Realtime)

Tools & Platforms : Git, GitHub, VS Code, Android Studio

PROJECTS

Advance Notes Application | Tech Stack : Java, XML, Room DB, Firebase Firestore

[GitHub](#)

Built a feature-rich Android notes app with local/cloud storage, login/registration, Firebase user authentication, Firebase Firestore database, and Firebase Analytics. Core features include note creation/editing, hide/unhide, rating, sharing, "About Us", image/URL attachment, color customization, and reminders.

ShikshaSutra | Tech Stack : Python (Django), HTML, CSS, MySQL

[GitHub](#)

Built a functional student management system with login/registration, form handling, MySQL integration, and full CRUD operations. Currently expanding the project with new features and improved UI.

ACHIEVEMENTS & ACTIVITIES

- Selected as a Mobile Team Member in the Google Developer Student Club (GDSC) [Certificate](#)
- Part of the organizing team of DUHacks 4.0, a national-level 36-hour hackathon with 6000+ registrations [Certificate](#)
- Learning and improving through solving coding challenges on LeetCode [LeetCode](#)
